

ST. AMBROSE PREPARATORY SCHOOL

NEWSLETTER SEPTEMBER 9th 2022

Dear parents and carers...

Welcome back! What a wonderfully positive start we have had to this term. The pupils all look so happy to have returned to St Ambrose and those who have joined us have settled in seamlessly. Thanks to you, all the children look super smart in their uniforms and are well equipped for the busy weeks ahead. Your children are a credit to you and you must be very proud.

The staff have been productive over the summer holidays preparing for their return to school and the pupils have returned to bright, colourful and orderly classrooms. The learning environment at St Ambrose is focused and conducive to interactive learning and maximum engagement and the pupils are fully immersed in their learning. I have visited every class and the pupils' attitude to learning is exemplary in every phase of the school. Every pupil is positively engaged with their learning and appear genuinely happy to be here, as we all are!

We made history this week with the introduction of hot lunches and I have particularly enjoyed watching the pupils enjoy eating together as a school community. The menu has been well received and the lasagne and fish and chips are particular favourites.

This is a very busy term but we have already scheduled in coffee mornings for early years and Infants and the Junior dates will follow and I look forward to meeting with you for a chat. Please refer to the section of the Newsletter for dates for your diary.

I do hope you can make the meeting with myself and your child's teacher on Tuesday to gather information, allay any concerns and answer any questions that you might have.

I cannot thank you enough for the support and welcome that you have given me over the last few days and I look forward to meeting you all in due course.

Ms. S. Heron
Interim Headteacher

Prayer

Almighty God, we give you thanks for the life and service that Queen Elizabeth gave to us and this nation.

We thank you that you have upheld her with your mighty hand throughout the many years that she reigned.

Queen Elizabeth knew you as a friend, guide and Lord throughout her life and has now come to know you in the fullness of your love and peace.

We pray for the Royal family, that they will receive your comfort now, by the power of the Holy Spirit.

We ask this in Jesus' name; King of Kings and Lord of Lords, whose crown is love and whose sceptre is peace.

Amen

The school community have observed a one minute silence today to pay our respects to Our Queen.

Please make us aware if your child is particularly upset by this event and we will be able to offer support.
