

ST. AMBROSE PREPARATORY SCHOOL

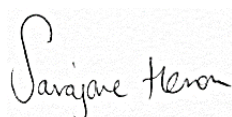

NEWSLETTER September 22nd 2022

Dear parents and carers...

Thank you for your support in the first three weeks of this term, it has been a busy time but a very productive one as pupils are settled and enjoying the variety of lessons. We especially keep in our thoughts and prayers Prep 4 who have worked tirelessly alongside Mrs Fielding over the past few weeks. I know they will give their very best in the exam tomorrow and we will include them in our staff prayers tomorrow on the Inset Day.

Prep 1 enjoyed their first swimming lesson at St Ambrose College and I'm sure that the rest of the junior classes will come back to school as exhausted, but equally as enthusiastic to return as they did! The pool at the College is a fantastic resource and I am delighted that all classes in the Juniors are able to enjoy this provision at some point in the year.

Continuing with the collaboration with St Ambrose College I am delighted that we will have sixth form students coming into school on Wednesdays to support in classes and add another dimension to the classroom. Their focus will be determined by the class teacher and as an extra adult in the room can offer support in reading, curriculum subjects and possibly sports.

Ms S. Heron

STAR OF THE WEEK!

If any children in the following weeks have done something special out of school, they are invited to bring their item to school on Monday or Tuesday to be presented to them by their class teacher at the next Star of the Week assembly. The stars of each week will be treated to a hot chocolate or juice with the Headteacher on a Friday to congratulate them on their fantastic efforts.

NURSERY: Ameer: has returned to school with a whole new confidence and a positive attitude to learning. Ameer especially stood out this week by putting his hand up to answer tricky questions, especially in maths when he could identify a hexagon!

RECEPTION: Matilda: for excellent reading this week! Well done!

INFANT 1: Mason: for painting an amazing, detailed picture of a bird in relation to our RE topic 'What God created!'

INFANT 2: Frank: for always working incredibly hard, and for producing a beautiful piece of writing about how to show God's love and kindness to others.

PREP 1: Harrison: has worked incredibly hard with some tricky column method addition problems - even challenging himself to do one into the millions! Excellent work Harrison.

PREP 2: : Joseph has impressed me from day one this year, but he particularly impressed me in History, where he made sensible inferences about the Ancient Greeks.

PREP 3: Xavier I: It was another tough choice for star of the week this week. I honestly have been so, so impressed with Prep. 3's attitude towards school life. Xavier has not only, given a 100% effort in his work at school but has produced some beautiful homework, researching the queen. Even when he has had a wobble in his learning, he has chosen not to give up but has shown superb resilience. Well done Xavier.

PREP 4: All of Prep 4 for their continued hard work towards their entrance exams.

WHAT'S ON?

What	When	Who	Notes
INSET	23rd September		SCHOOL CLOSED
Cross Country	24th September	John Leigh Park	Meet @ 9.30am
