

ST. AMBROSE PREPARATORY SCHOOL

Dear Parent and Carers,

Welcome back after what I hope was a restful half term with family. The children were certainly excited to return to school and the week started on a historic high with the appointment of Head boy and girl and their deputies, along with the prefect duties and responsibilities.

William Meadowcroft was voted in as St Ambrose Head boy and Charles Gale is the Deputy and we are confident that both students will be great ambassadors for the school. Equally, we are proud to announce that the first Head girl at St Ambrose Prep is Elodie Jeffries, supported by Marcella Leaver as the Deputy Head girl. Already the Year 6 children have taken their responsibilities very seriously and are proving themselves to be conscientious, confident and absolutely brilliant role models whom the rest of the school look up to as true Ambrosians. I am really excited about working with Prep 4 this year as they are excited to take on extra responsibility and represent the school in the best way possible.

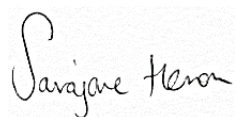

On Tuesday the children thoroughly enjoyed dressing up for Halloween. Ghouls, zombies, vampires and the most convincing witches worked diligently in lessons in anticipation of the disco dance off and a fantastic time was had by all. Much appreciation goes to the PTFA who are always working hard in the background to bring such great events together for the children's enjoyment, thank you to all who helped and supported the event. Please see the PTFA message.

We came together as a school family on Wednesday for a Gospel assembly for All Souls, delivered by Mrs Ostick. The children are always impeccably behaved but it is wonderful to see the pupil engagement in the Gospel and its teachings. This week Prep 4 have attended voluntary Mass at St Ambrose College and will do so until Christmas when the opportunity will be extended to the rest of the Junior classes.

Prep 4 have had a fantastic experience at Stockport Air Raid Shelter, where they have had an amazing day learning about World War II and being immersed in the past. They have toured the shelters and have explored the life of refugees.

Have a lovely weekend.

Thank you for your continued support.

Ms Heron
