

Ambrose Accolades - Fri 12th Sept 2025

Message from Ms Heron

What a joy it has been to see our school family reunited after the summer break. The classrooms have once again come alive with a sense of focus, enthusiasm and the happy buzz of learning. We began our term in the best possible way, gathered together for our start of year Mass. It was a beautiful celebration of thanksgiving and a reminder that Christ walks with us in all we do. A very special welcome goes to our new children and their families. You are now part of a caring community where every child is known, valued and loved. Thank you to our pupils who have shown such kindness in helping new classmates settle in; your friendship makes a real difference.

I hope you have had time to read the RE Newsletter and this week's Wednesday Word with your children. These resources are a lovely way to share and reflect on our faith at home. We would also be most grateful if you could complete the RE questionnaire that will be sent out next week—your thoughts and feedback help us to grow together as a school of faith and learning.

As we look ahead, we do so with hope and excitement. The term will bring new challenges, new discoveries and many opportunities to grow in faith and knowledge. With God's guidance, and with the support of our dedicated staff and wonderful parents, I know this will be a year filled with joy and success.

Dates for your Diary

Stars of the Week

Congratulations to our first crop of this year's St Ambrose Prep Stars, pictured here enjoying a catch up over hot chocolate and a biscuit with Ms Heron! ★

Hannah in Pre Prep was awarded for setting a wonderful example to the rest of the class, listening beautifully whilst Viktoria in Reception stood out for making a fantastic start to her St Ambrose journey, working hard and trying her best. ★

Infant 1's Bella was congratulated for settling in to life at St Ambrose so well and for producing a lovely picture to show what God created whilst Haris in Infant 2 was commended for working consistently hard and being polite and respectful. ★

Prep 1's Ama was praised for settling in beautifully and for working hard and making friends whilst Alan in Prep 2 stood out for making an excellent start to the year, working hard to be 'the best I can be'. ★

Ezekiel in Prep 3 received the award for his lovely manners , helpful nature and for the great start he has made and in Prep 4 Henry was commended for making such a positive start to the year. ★

Recent Highlights

It has been lovely to see so many of the children enrol in our co-curricular clubs which in the main started this week.

The children in Pre Prep and Reception were able to sample what's on offer from Stretch-n-Grow and thoroughly enjoyed going on their pirate adventure.

There was also an opportunity for the children in Infant 1 - Prep 4 to enjoy an introduction to the Kicks Dance classes, which start next week. They all had a great time learning some new dance moves to create a short routine.

Lego Club got off to a great start on Tuesday, with the children enjoying some 'freestyle' building and new to our timetable this year, Spanish Club, Puzzle Club and Art Club (so popular that there is already a waiting list!) also proved to be great hits.

Our Stay & Pray Club also started this week, taking place before school each Friday and to which parents are also invited to attend, so please feel free to come and join us.

PTFA News

We'd like to give a heartfelt thank you to Mrs Ballard, Chair of the PTFA for all her hard work raising funds for our school last year.

Thanks to her efforts, together with the rest of the PTFA, we were able to purchase a full class set of Chromebooks for our pupils at the end of last term.

Mrs B is not leaving the PTFA but is stepping back from some of her duties due to work commitments. We're so grateful for everything she's contributed and look forward to her continued involvement whenever she's able.

As we look forward to the forthcoming year there are lots of opportunities to get involved on the PTFA if you are able to offer any time, suggestions, skills, ideas, enthusiasm to help to make 2025-6 a fantastic year!

For more information and to express your interest please contact the School Office.
