Message from Ms Heron

The sporting term began on a high note with an impressive turnout for the cross-country meet, where our runners made a fantastic start to the season. Their energy and determination set the tone for the weeks ahead.

Meanwhile, our Prep 2 football team proudly represented the school at the ISA North Football Tournament. After a series of spirited matches, they advanced all the way to the quarter-finals, only to be narrowly defeated in a tense penalty shoot-out. The whole school is proud of their teamwork and sportsmanship.

Adding to the excitement, Prep 3 and Prep 4 were the very proud winners of the ISA North Water Polo Tournament today, performing brilliantly, showing great strength, determination and teamwork throughout the competition.

The Justice Society demonstrated not only impressive artistic talent but also wonderful initiative this week. Following an informative assembly, they created and sold their own comics to raise funds for CAFOD.

A heartfelt thank you goes to everyone who supported our Macmillan Coffee Morning. With your generosity, we raised an amazing £275 for this wonderful cause. Special thanks to Prep 4 for their excellent selling skills—although, as we all know, cake almost sells itself!
